TITLE	WHY WE RECOMMEND THIS BOOK
The Language Teacher's Survival Handbook	This handbook is full of useful information for new teachers, especially over going abroad to teach for the first time. Here you'll find job search tips, advice on dealing with culture shock, fail-safe activities.
Pronunciation Games	The ultimate collection of activities for practicing pronunciation in class. It covers consonants, vowels, rhythm, intonation and word stress.
Five Minute Activities	A treasury of short activities to use over and over again as warmers, fillers, and lead-ins.
Creating Conversation in Class	Full of student-centred activities for use with adult and secondary learners from the elementary level up to upper intermediate. The activities stimulate immediate interest, provoke genuine interaction and build learner confidence.
Teaching Tenses	A perfect resource for teaching, giving guidance on form, meaning, how to elicit, appropriate contexts, learner errors, and practice activities for the tenses.
Grammar Practice Activities	There are many great grammar activity books, but this is the best one to start with as it has an activity for just about every grammar point that you will have to teach.
The Resourceful English Teacher	This activity book has ideas on how to use music, video, readers effectively in class.
Vocabulary	With loads of communicative activities to teach collocation, use of mother tongue and lexis as a system, this resource helps you plan lessons with a vocabulary focus.
A Concise Grammar For English Language Teachers	Here's a great book for teacher unsure of how to explain a grammar point. It gives easy-to-express explanations and examples for teachers currently without the metalanguage.
Learning to Teach English	A great reference tool for new teachers, this methodology text keeps it simple with practical examples and activities to help new teachers be more effective in the classroom.
